UNIQUE ENTERPRISES

DURABLE PERFORMANCE PROTECTION BY UNIQUE ENTERPRISES

With nearly four decades of craftsmanship, Unique Enterprises has grown into one of the most trusted manufacturers of safety wear & personal protective equipment in the world. What began in the mid 80s as a humble operation powered by family, friends, & sheer dedication has today become a benchmark in the global safety industry.

FROM FAMILY ROOMS TO GLOBAL REACH

In the early days, packaging was done by hand in homes & our founders personally visited leather markets to handpick each hide. Every apparel pattern was sketched with care, sewn with pride & tested for strength. That hands-on spirit continues to guide us to this day.

Fast forward nearly 40 years & Unique Enterprises now operates multiple advanced production units across Pakistan, including a state of the art leather tannery, as well as manufacturing facilities in major industrial cities. Our global logistics & sales operations are headquartered in Pakistan, ensuring seamless service & distribution, with a strategic sales office also present in the USA to directly support our International clientele.

STILL FAMILY OWNED. STILL QUALITY DRIVEN.

Despite our growth, we remain a proudly family owned company. The values that built Unique Enterprises still drive every decision from the materials we choose to the people we work with. We continue long standing partnerships that span decades & hold fast to an approach rooted in personal commitment, ethics & trust.

At Unique Enterprises, we don't just manufacture safety wear, we deliver reliability & legacy in every stitch. Our mission has always been to produce gear you can trust & we're proud to say we stand behind every product we make.

Thank you to all our partners, clients & hardworking teams for helping make Unique Enterprises the trusted name in safety wear.

LEATHER GLOVES

ARC RATED BLACK GOAT DRIVER WITH IMPACT PROTECTION

- Made from arc rated black goat finish leather for top tier durability.
- Provides superior protection in high risk industrial environments.
- TPR impact level 2 protection on the back of the hand.
- Double layered palm for enhanced abrasion resistance.
- Lined with 3M Thinsulate™ for superior insulation.
- Cotton binding for added strength & durability.

PRODUCT CODE: 2124IP2T

GOAT DRIVER WITH IMPACT PROTECTION

- Premium goat skin leather for exceptional durability & protection.
- TPR impact level 2 protection on the back of the hand.
- Shirred elastic back ensures a secure & comfortable fit.
- Keystone thumb design improves flexibility & hand movement.
- Sewn with heat resistant DuPont™ Kevlar® thread for added strength.

PRODUCT CODE: 2123IP

GOAT DRIVER WITH IMPACT PROTECTION & A6 CUT LEVEL

- Natural goat skin leather for superior durability & protection.
- Cut level & A6 Kevlar® lining provides exceptional cut resistance.
- TPR impact level 2 protection on the back of the hand.
- Shirred elastic back offers a secure & comfortable fit.
- Keystone thumb design improves flexibility & hand movement.
- Stitched with DuPont™ Kevlar® thread for heat resistance.

PRODUCT CODE: 21231P2A6

GOAT DRIVER WITH IMPACT PROTECTION & A6 CUT LEVEL LINING

- Natural goat skin leather for superior durability & protection.
- Cut level & A6 Kevlar® lining provides exceptional cut resistance.
- 3M Thinsulate™ C-100 lining ensures superior warmth & insulation.
- TPR impact level 2 protection on the back of the hand.
- Shirred elastic back offers a secure & comfortable fit.
- Keystone thumb design improves flexibility & hand movement.
- Stitched with DuPont™ Kevlar® thread for heat resistance.

PRODUCT CODE: 2123IP2-A6T

ARC RATED BLACK GOAT WITH IMPACT PROTECTION

- Made from arc rated black goat finish leather for exceptional durability.
- Provides superior protection in high risk, high heat environments.
- TPR impact level 2 protection on the back of the hand.
- Double palm design reinforces high wear areas for extended glove life.

PRODUCT CODE: 2124IP2

SYNTHETIC LEATHER IMPACT GLOVES

- Synthetic leather palm for exceptional durability & protection.
- TPR impact level 2 protection on the back of the hand.
- Hi-viz spandex back for improved visibility & control in low light environments.
- Neoprene cuff with helm Velcro closure provides a secure, adjustable fit.
- Pull tab design for easy on/off convenience.

PRODUCT CODE: 6938-0

DURABLE GENERAL PURPOSE PERFORMANCE GLOVES

- Polar fleece back provides excellent warmth & comfort.
- Lined with 3M Thinsulate™ for superior insulation in cold conditions.
- Rubber grip palm ensures a secure, non slip hold.
- Reinforced thumb crotch enhances durability in high wear areas.
- Velcro closure ensures a secure, adjustable fit around the wrist.

PRODUCT CODE: 5037

SYNTHETIC LEATHER MECHANICAL GLOVES WITH IMPACT PROTECTION

- Durable synthetic leather palm for long lasting strength & protection.
- Touch screen compatible fingertips for convenience on the job.
- Breathable fabric back for ventilation & flexibility during use.
- TPR impact level 2 protection on the back of the hand.
- Padded palm design for enhanced comfort during extended wear.
- Neoprene cuff with Velcro closure for a secure, adjustable fit.

PRODUCT CODE: 5754

GOAT TIG WELDER WITH IMPACT PROTECTION & A6 CUT LEVEL LINING

- Premium goat skin leather for superior durability & protection.
- ANSI cut level & A6 Kevlar® lining for advanced cut & heat resistance.
- TPR impact level 2 protection on the back of the hand.
- 3" black cow split cuff with shirred elastic back for a secure & comfortable fit.
- Stitched with DuPont™ Kevlar® thread for heat resistance.
- Keystone thumb design enhances flexibility & natural hand movement.

PRODUCT CODE: 22231P2-A6

SYNTHETIC LEATHER IMPACT GLOVES

- Synthetic leather palm delivers exceptional durability & protection.
- Gripped strategic areas ensure a firm, non slip hold during tasks.
- TPR impact level 2 protection on the back of the hand.
- Neoprene cuff with helm Velcro closure provides a secure, adjustable fit.
- Pull tab design allows quick & easy wear & removal.
- Reinforced thumb crotch area for strength in high wear zones.

PRODUCT CODE: 6368

HI-VIZ WORK GLOVES WITH CUT LEVEL LINING

- Premium goat skin leather palm for exceptional durability & protection.
- Reinforced first finger, thumb & crotch area for added strength.
- Shirred elastic back for a secure & comfortable fit.
- Hi-viz spandex back & binding for flexibility & increased visibility.
- HPPE/steel composite cut level A6 lining.

PRODUCT CODE: 220HVA6-V2

BUFFALO DRIVER GLOVES

- Buffalo skin leather for superior durability & protection.
- Wing thumb design for increased flexibility & comfort.
- Shirred elastic back for a snug & comfortable fit.
- Fabric binding for added strength & durability.

PRODUCT CODE: 3110-WCB

GOAT DOUBLE PALM DRIVER GLOVES

- Crafted from premium goat skin leather for exceptional durability.
- Reinforced palm provides added durability & protection.
- Self helm construction enhances glove longevity & maintains shape.

PRODUCT CODE: 2402

GOAT LINEMANS GLOVES

- Premium goat skin leather for superior durability & protection.
- Straight thumb design for added flexibility & mobility.
- Shirred elastic back with DuPont™ Kevlar® thread for a secure, comfortable fit.
- Fabric binding for enhanced comfort & strength.

PRODUCT CODE: 2437

GOAT LINEMANS GLOVES WITH LEATHER TABS & STRAPS

- Goat skin leather for durability & superior protection.
- Straight thumb design for enhanced comfort & flexibility.
- Fabric binding for added strength & durability.
- Shirred elastic back ensures a secure & comfortable fit.
- Stitched with DuPont™ Kevlar® thread for heat & abrasion resistance.
- Leather tabs & nylon strap with buckle on back for easy, adjustable fit.

PRODUCT CODE: 2439-LT

GOAT LINEMANS GLOVES WITH STRAP

- Goat skin leather for durability & superior protection.
- Reinforced thumb crotch area straight thumb design for enhanced comfort & flexibility.
- Fabric binding for added strength & durability.
- Shirred elastic back ensures a secure & comfortable fit.
- Stitched with DuPont™ Kevlar® thread for heat & abrasion resistance.
- Nylon strap with buckle on back for easy, adjustable fit.

PRODUCT CODE: 2439

GOAT SKIN LEATHER DRIVER WITH CUT RESISTANT LINING

- Natural goat skin leather for exceptional durability & protection.
- Fourchette style construction for a precise, secure fit.
- HPPE/steel composite lining for advanced cut resistance.
- Cut level A6 protection for superior safety in high risk tasks.
- Double shirred elastic back ensures a secure & comfortable fit.
- Reinforced crotch area for long lasting performance.
- Hi-viz fabric binding for enhanced visibility in low light environments.

PRODUCT CODE: 220A6

GRAIN COW/SPLIT LEATHER DRIVER GLOVES

- Premium cow grain leather palm for durability & strength.
- Yellow cow split leather back for added comfort & flexibility.
- Keystone thumb design for enhanced mobility & grip control.
- Shirred elastic back for a secure, comfortable fit.
- Leather binding for added strength & seam protection.
- DuPont™ Kevlar® thread stitching for seam integrity & reliability.

PRODUCT CODE: 2942

GRAIN COW/SPLIT DRIVER GLOVES WITH REINFORCEMENT

- Premium cow grain leather palm with split for durability & strength.
- Split leather reinforcement for added protection in high wear zones.
- Reinforced palm for long lasting performance.
- Reinforced thumb for improved grip & durability.
- Reinforced index finger for strength in high use areas.
- DuPont™ Kevlar® thread stitching for superior seam integrity.
- Shirred elastic back for a secure, comfortable fit.
- Leather binding for added strength & seam protection.

PRODUCT CODE: 2958

GRAIN GOATSKIN DRIVER GLOVES

- Premium grain goatskin palm & backhand for durability & protection.
- Slip on cuff for quick & easy wear.
- Shirred elastic wrist for a secure, comfortable fit.
- Keystone thumb design for enhanced flexibility & dexterity.
- Leather binding for added strength & seam protection.

PRODUCT CODE: 2123

SHEEP DRIVER GLOVES

- Premium sheep skin leather for durability & comfort.
- Wing thumb design for enhanced flexibility & dexterity.
- Shirred elastic back for a secure & comfortable fit.
- Fabric binding for added strength & durability.

PRODUCT CODE: 0110-WCB

LEATHER WORK GLOVES WITH KNIT WRIST

- Premium sheep skin leather on palm & fingertips for superior durability.
- Cotton fabric back for breathability & added comfort.
- Knitted wrist cuff for a secure & snug fit.

PRODUCT CODE: 2391-KWF

LEATHER WORK GLOVES WITH FABRIC BACK

- Premium sheep skin leather on palm & fingertips for superior durability.
- Elastic cuff for a movement & flexibility.
- Velcro closure for a secure & adjustable fit.
- Gray cotton rib back for breathability & flexibility.

PRODUCT CODE: 2680-R

LEATHER WORK GLOVES WITH FABRIC BACK

- Sheep skin leather for superior durability & comfort.
- Wing thumb design allows natural hand movement & flexibility.
- Blue interlock fabric back provides breathability & comfort.

PRODUCT CODE: 0209-BBCW

PALM LINED LEATHER WORK GLOVES WITH BACK FABRIC

- Sheep skin leather for durability & comfort.
- Elastic cuff with Velcro closure for a secure & adjustable fit.
- Palm lining provides extra comfort & protection.
- Blue cotton rib back ensures breathability & flexibility.

PRODUCT CODE: 2680-RL

LEATHER WORK GLOVES WITH FABRIC BACK

- Premium sheep skin leather for exceptional durability & comfort.
- Elastic cuff with Velcro closure for a secure, adjustable fit.
- Blue interlock fabric back for breathability & flexibility.

PRODUCT CODE: 2680-B

SYNTHETIC LEATHER MECHANICAL GLOVES

- Synthetic leather palm, fingertips & joints for durability & protection.
- Reinforced front fingertip areas for added strength.
- Blue spandex back for flexibility & comfort.
- Neoprene knuckle strap for additional support & impact absorption.
- Reinforced padded palm for enhanced comfort during extended use.
- Elastic with Velcro closure at wrist design for secure & ergonomic wear.

PRODUCT CODE: 5755

MEN'S SKI GLOVES

- Black fabric back for durability & comfort.
- Waterproof design for protection in wet conditions.
- 3M Thinsulate™ liner for superior insulation & warmth.
- Hook & loop closure for a secure & adjustable fit.
- Rubber grip ensures a firm hold & increased control.
- Snug fit for comfort & flexibility during extended wear.

PRODUCT CODE: 5121

CHILDREN SKI GLOVES

- Maroon Fabric Back for durability & comfort.
- Waterproof design for protection in wet conditions.
- 3M Thinsulate™ liner for superior insulation & warmth.
- Hook & loop closure for a secure & adjustable fit.
- Rubber grip ensures a firm hold & increased control.
- Snug fit for comfort & flexibility during extended wear.

PRODUCT CODE: 5121C

GENERAL PURPOSE COW GRAIN LEATHER WORK GLOVES

- Four way stretch black spandex back for flexibility & comfort.
- Cow grain leather palm for durability & protection.
- Cow grain leather knuckle strap for added strength.
- Neoprene cuff with Velcro closure for secure fit.
- Partial spandex fabric thumb for flexibility.

PRODUCT CODE: 5025

DUCK CANVAS DURABLE PERFORMANCE GLOVES

- Duck canvas mud back for durability & resistance to wear.
- Rubber grip palm for enhanced traction & control.
- Synthetic leather knuckle strap provides added protection & flexibility.
- Neoprene cuff with Velcro closure for a secure & adjustable fit.
- Partial canvas fabric thumb for comfort & breathability.

PRODUCT CODE: 5035

GENERAL PURPOSE SYNTHETIC LEATHER WORK GLOVES

- Synthetic leather palm for enhanced durability & abrasion resistance.
- Four way stretch black spandex back offers maximum flexibility.
- Reinforced thumb crotch ensures added strength in high stress zones.
- Partial terry fabric thumb for wiping sweat & added comfort.
- Neoprene cuff with Velcro closure for a secure, adjustable fit.

PRODUCT CODE: 5002

GOAT FR COTTON TIG WELDING GLOVES

- Goat skin leather palm for superior durability & protection.
- Drag piece on side for added abrasion resistance.
- Fire resistant cotton back for enhanced safety in high heat environments.
- FR palm lining provides additional flame protection & comfort.
- Stitched with DuPont™ Kevlar® thread for heat & abrasion resistance.
- Knuckle strap protection for added defense against impact.

PRODUCT CODE: 2951

GOAT FRONT DOUBLE PALM SPANDEX BACK WORK GLOVES

- Goat skin leather palm & fingertips for exceptional durability & protection.
- Spandex back provides flexibility & comfort during use.
- Reinforced padded palm with Yellow goat for added strength & impact absorption.
- Reinforced fingertips & thumb area.
- Elastic & rubber strap with Velcro closure for a secure & adjustable fit.

PRODUCT CODE: 2954

GOAT FRONT SPANDEX BACK WORK GLOVES

- Goat skin leather palm & finger tips spandex back.
- Double reinforced palm & thumb area elastic & rubber strap Velcro closure.

LEATHER, COTTON-POLY & FLAME RESISTANT
WORKWEAR

FR JACKET

- 100% FR cotton, 310 GSM for strength & protection.
- Brass snaps for secure, durable fastening.
- Four front pockets for practical storage.
- 2" FR silver reflective tape on shoulders, chest & sleeves.
- Available in orange, royal blue, khaki, red & navy blue (S–4XL).
- CAT 2 rated for arc flash protection.
- Certified: NFPA 2112, NFPA 70E, ASTM F1506, EN ISO 11611, EN ISO 11612, EN ISO 13688.
- Tested for up to 100 industrial washes for lasting performance.

PRODUCT CODE: 297JK

FR JACKET

- 99% FR cotton & 1% antistatic, 330 GSM for durable protection.
- Brass snaps for secure, long lasting fastening.
- Chest & sleeve soapstone pockets for added utility.
- 2" FR silver reflective tape on chest & sleeves for visibility.
- Available in orange, royal blue, khaki, red & navy blue (S–4XL).
- Meets CAT 2 standards for arc flash protection.
- Certified: NFPA 2112, NFPA 70E, ASTM F1506, EN ISO 11611, EN ISO 11612, EN ISO 1149-5, EN ISO 13688.
- Durability tested for up to 100 industrial washes.

PRODUCT CODE: 306JK

FR JACKET

- 9 oz Green 100% cotton FIRE repellent welding jacket with inside pocket.
- Spark & fire repellent for added durability & flexibility.
- Large front pocket for convenient storage.
- Adjustable sleeves for a customized fit.
- Lightweight for use in warmer climates.
- Breathable fabric for comfort during extended wear.
- Meets NFPA 70E HRC 2 (10.0 cal/cm²), ASTM F1506-02A, ASTM F1959M-F1959M-99, NFPA 2112, EN ISO 11611, EN ISO 11612, EN ISO 13688 Standards.
- Durability tested for up to 100 industrial washes.

PRODUCT CODE: 101FR90G

FR JACKET

- 9 oz 100% FR cotton for breathable fire protection.
- Spark & fire repellent for added durability & flexibility.
- Large front pocket for convenient storage.
- Adjustable sleeves for a customized fit.
- Ergonomic design for all day comfort.
- Lightweight for use in warmer climates.
- Meets NFPA 70E HRC 2 (10.0 cal/cm²), ASTM F1506-02A, ASTM F1959M-F1959M-99, NFPA 2112, EN ISO 11611, EN ISO 11612, EN ISO 13688 Standards.
- Durability tested for up to 100 industrial washes.

PRODUCT CODE: 143FR90B

FR JACKET

- 100% FR cotton, 350 GSM for durability & protection.
- Brass snaps for secure & long lasting closure.
- 4 Front pockets & soapstone pocket on sleeve.
- Available in orange, royal blue, khaki, red & navy blue (S–4XL).
- Breathable fabric ensures comfort during long shifts.
- Full coverage design provides maximum flame protection.
- CAT 2 rated for arc flash safety.
- Certified: NFPA 2112, NFPA 70E, ASTM F1506, EN ISO 11611, EN ISO 11612, EN ISO 13688.
- Durability tested for 100 industrial washes for lasting performance.

PRODUCT CODE: 299JK

FR VEST

- 100% FR cotton, 350 GSM for superior protection & durability.
- Brass snaps ensure secure, long lasting fastening.
- Four front pockets for practical storage.
- 2" FR silver reflective tape on shoulders, chest for visibility.
- Available in orange, royal blue, khaki, red & navy blue (S–4XL).
- CAT 2 rated for arc flash & flame protection.
- Certified: NFPA 2112, NFPA 70E, ASTM F1506, EN ISO 11611, EN ISO 11612, EN ISO 13688.
- Durability tested for 100 industrial washes for longest durability.

PRODUCT CODE: 298VT

HI-VIZ JACKET

- Main fabric: 60% Cotton & 40% polyester blend, 250 GSM for superior protection & comfort.
- Hi-Viz fabric: 35% cotton & 65% polyester, 245 GSM for enhanced visibility.
- YKK brass zipper for secure closure.
- 2 side, 2 back, 2 chest & 2 knee pockets for functional storage
- 2" Silver reflective tape on chest & sleeves.
- Available in orange, royal blue, khaki, red & navy blue (S–4XL).

PRODUCT CODE: 304JK

FR TROUSER

- 100% FR cotton, 310 GSM for durability, comfort & protection.
- YKK brass zipper for secure & long lasting fastening.
- 2 side, 2 back & 2 knee pockets for functional storage.
- 2" FR silver reflective tape on legs for visibility.
- Available in orange, royal blue, khaki, red & navy blue.
- CAT 2 rated for arc flash & flame resistance.
- Certified: NFPA 2112, NFPA 70E, ASTM F1506, EN ISO 11611, EN ISO 11612, EN ISO 13688.
- Tested for 100 industrial washes for long-lasting performance.

PRODUCT CODE: 307TR

FR TROUSER

- 100% FR cotton, 310 GSM for superior durability & comfort.
- YKK brass zipper for secure & long lasting closure.
- Elasticated waist ensures a comfortable, adjustable fit.
- 2 side, 2 back & 2 knee pockets for functional storage.
- Available in orange, royal blue, khaki, red & navy blue (S–4XL).
- CAT 2 rated for flame & arc flash protection.
- Certified: NFPA 2112, NFPA 70E, ASTM F1506, EN ISO 11611, EN ISO 11612, EN ISO 13688.
- Durability tested for 100 industrial washes for long-lasting performance.

PRODUCT CODE: 300TR

FR TROUSER

- 100% FR cotton, 310 GSM for durability, comfort & protection.
- YKK brass zipper for secure & long lasting fastening.
- 2" FR silver reflective tape on legs for visibility.
- Available in orange, royal blue, khaki, red & navy blue.
- Breathable, full coverage design for comfort in industrial settings.
- CAT 2 rated for arc flash & flame resistance.
- Certified: NFPA 2112, NFPA 70E, ASTM F1506, EN ISO 11611, EN ISO 11612, EN ISO 13688.
- Tested for 100 industrial washes for long-lasting performance.

PRODUCT CODE: 303TR

FR TROUSER

- 100% FR cotton, 310 GSM for durability, comfort & protection.
- YKK two way brass zipper for secure & long lasting fastening.
- 2 side, 2 back & 2 knee pockets for functional storage.
- 2" FR silver reflective tape on legs for visibility.
- Available in orange, royal blue, khaki, red & navy blue.
- CAT 2 rated for arc flash & flame resistance.
- Certified: NFPA 2112, NFPA 70E, ASTM F1506, EN ISO 11611, EN ISO 11612, EN ISO 13688.
- Tested for 100 industrial washes for long-lasting performance.

PRODUCT CODE: 296TR

FR BIB & BRACE OVERALL

- 100% FR cotton, 310 GSM for durability, comfort & protection.
- Brass snaps ensure secure & long lasting fastening.
- 4 front, 2 side, 2 back & 2 knee pockets for ample storage.
- 2" FR silver reflective tape on shoulders & chest.
- Available in orange, royal blue, khaki, red & navy blue.

PRODUCT CODE: 3020A

POLO SHIRT

- 80% Cotton & 20% polyester, 200 GSM for comfort & durability.
- Available in orange, royal blue, khaki, red & navy blue.

PRODUCT CODE: 312PS

FR LONG SLEEVES T-SHIRT

- 100% FR cotton, 220 GSM for lightweight comfort & protection.
- Available in orange, royal blue, khaki, red & navy blue.
- CAT 2 rated for flame & arc flash protection.
- Certified: NFPA 2112, NFPA 70E, ASTM F1506, EN ISO 11611, EN ISO 11612, EN ISO 13688.

PRODUCT CODE: 313TS

FR WORK SHIRT

- 100% FR cotton, 260 GSM for superior protection & durability.
- Brass snaps ensure secure, long lasting fastening.
- 2 chest pockets for practical storage.
- Available in orange, royal blue, khaki, red & navy blue (S–4XL).
- Breathable, full coverage design for comfort in demanding work.
- CAT 2 rated for arc flash & flame protection.
- Certified: NFPA 2112, NFPA 70E, ASTM F1506, EN ISO 11611, EN ISO 11612, EN ISO 13688.
- Durability tested for 100 industrial washes for longest durability.

PRODUCT CODE: 290WS

FR WORK SHIRT

- 100% FR cotton, 260 GSM for superior protection & durability.
- Hemmed front placket with button closure for a clean, secure fit.
- Gas monitor pocket on front shoulders for convenience.
- Full side seam gusset allows better movement & flexibility.
- Triple-needle arm and shoulder seams for extra durability.
- Breathable fabric ensures comfort during long wear.
- CAT 2 rated for flame & arc flash protection.
- Certified: NFPA 2112, NFPA 70E, ASTM F1506, EN ISO 11611, EN ISO 11612, EN ISO 13688.
- Durable up to 100 industrial washes for long-lasting performance.

PRODUCT CODE: 291WS

FR SWEATSHIRT

- 100% FR cotton, 410 GSM for superior flame resistance & comfort.
- FR ribbed cuffs & waistband ensure a secure, flexible fit.
- FR drawstrings allow easy adjustment & added comfort.
- Front pocket provides convenient storage.
- Available in sizes S–4XL for a perfect fit.
- CAT 2 rated for arc flash & flame protection.
- Certified: NFPA 2112, NFPA 70E, ASTM F1506, EN ISO 11611, EN ISO 11612, EN ISO 13688.
- Tested for 100 industrial washes for lasting performance.

PRODUCT CODE: 1000FRSS12B

SWEATSHIRT

- 80% Cotton & 20% polyester, 300 GSM blend for comfort & durability.
- Ribbed cuffs for style & secure fit.
- Two front pockets for added functionality.
- Available in orange, royal blue, khaki, red & navy blue (S–4XL).

PRODUCT CODE: 310SS

SWEATSHIRT(ZIPPER)

- 80% Cotton & 20% polyester, 300 GSM for comfort & durability.
- Ribbed cuffs for style & secure fit.
- Two front pockets for added functionality.
- Zipper for secure & long lasting fastening.
- Available in orange, royal blue, khaki, red & navy blue (S–4XL).

- Certified: EN ISO 11611 (A1+A2), EN ISO 11612 (A1+A2, B1, C1, D3, E3, F1), EN ISO 1149-5, EN ISO 13688, NFPA 2112, NFPA 70E, ASTM F1506.
- Tested for 100 industrial washes for long-lasting performance.

PRODUCT CODE: 301CO

FR WELDING APRON

- 9 oz Blue 100% cotton Fire repellent welding apron with front pocket.
- Treated for spark & fire repellence for exceptional FR protection while still allowing for breathability in warmer climates.
- Front utility pocket for tools or accessories.
- Adjustable cross-back straps relieve neck strain & improve comfort.
- Full coverage apron (24 × 36 in) shields chest & lap areas.
- Long straps + grommets fit waists up to 50 in.
- Meets NFPA 70E HRC 2 (10.0 cal/cm²), ASTM F1506-02A, ASTM F1959M-F1959M-99, NFPA 2112, NFPA 70E, EN ISO 11611 EN ISO 11612 EN ISO 13688 standards.
- Durable build rated for up to 100 industrial washes.
- Ideal for welding, fabrication & industrial work.

PRODUCT CODE: 212FR90NB

FR WELDING SLEEVES

- 9 oz Green 100% cotton fire repellent welding sleeve.
- Treated for spark & fire repellence for exceptional FR protection while still allowing for breathability in warmer climates.
- Lightweight for use in warmer climates.
- Elastic at both ends keeps sleeve in place & comfortable for longer wearability.
- Meets NFPA 70E HRC 2 (10.0 cal/cm²), ASTM F1506-02A, ASTM F1959M/F19559M-99, NFPA 2112, EN ISO 11611 EN ISO 11612 EN ISO 13688 standards.
- Full coverage design for maximum protection.
- Durable build rated for up to 100 industrial washes.
- Ideal for industrial & welding environments.

PRODUCT CODE: 215FR90G

FR WELDING SLEEVES

- 9 oz Blue 100% cotton fire repellent welding sleeves.
- Treated for spark & fire repellence for exceptional FR protection while still allowing for breathability in warmer climates.
- Elastic at both ends keeps sleeve in place & comfortable for longer wearability.
- Meets NFPA 70E HRC 2 (10.0 cal/cm²), ASTM F1506-02A, ASTM F1959M/F1959M-99, NFPA 2112, EN ISO 11611, EN ISO 11612, EN ISO 13688 standards.
- Full coverage design for maximum protection.
- Durable build rated for up to 100 industrial washes.
- Ideal for industrial & welding environments.

COW SPLIT LEATHER WELDERS GAITERS (PAIR)

- Cow split leather.
- Stitched with DuPont™ Kevlar® thread for long-lasting seam integrity.
- 14" length for extended feets coverage.
- Hook & loop closure for convenience & adjustability.
- Brass rivets ensure a secure, long-lasting fit.

PRODUCT CODE: 108WG-L

COW SPLIT LEATHER WELDERS GAITERS (PAIR)

- Cow split leather.
- Stitched with DuPont™ Kevlar® thread for long-lasting seam integrity.
- Leather grain strap with touch & close fastening for secure fit.
- Elastic underfoot design for flexibility & ease of wear.
- 14" length for extended leg coverage.

PRODUCT CODE: 119WG-L

COW SPLIT LEATHER CABLE COVER

- Cow split leather.
- Stitched with DuPont™ Kevlar® thread ensuring high strength & heat resistance.
- Velcro closure provides a secure & easy wrap around fit.

PRODUCT CODE: 113CC-V

BLACK GRAIN GOATSKIN CABLE COVER

- Premium black grain goatskin stitched with black DuPont™ Kevlar® thread.
- Velcro closure provides a secure & easy wrap around fit.

PRODUCT CODE: 92VHC

COW SPLIT LEATHER CABLE COVER

- Cow split leather.
- Stitched with DuPont™ Kevlar® thread for superior heat protection.
- Brass snaps offer secure, durable fastening.

PRODUCT CODE: 114CC-V

COW SPLIT LEATHER WELDING HOOD

- Premium cow split leather for durability & protection.
- Stitched with DuPont™ Kevlar® thread for enhanced strength & durability.
- Sturdy brass snaps for secure & comfort from heat.

PRODUCT CODE: 118LH

ALUMINIZED BACK LEATHER HAND SHIELD

- Cow split leather.
- Aluminized backing for superior heat reflection & resistance.
- Stitched with DuPont™ Kevlar® thread.
- Exceptional protection against high-heat environments.

PRODUCT CODE: 120AHS

18" COW SPLIT LEATHER WELDING SLEEVES

- Premium cow split leather.
- Stitched with DuPont™ Kevlar® thread for durability.
- Brass snaps & rivets for secure fastening.
- Size 18".

PRODUCT CODE: 150SAP

COW SPLIT LEATHER CAPE SLEEVES

- Cow split leather.
- Soapstone pocket on sleeve for convenience.
- Reinforced stitched with DuPont™ Kevlar® thread for strength & longevity.
- Brass snaps & rivets for secure fastening in high-heat environments.
- Full coverage design for maximum protection.

PRODUCT CODE: 147CSAP

COW SPLIT LEATHER WELDING JACKET

- 30" Cow split leather jacket for superior durability & coverage.
- Soapstone pocket on sleeve for added convenience.
- Brass snaps and rivets ensure a secure, long lasting fit.
- Stitched with DuPont™ Kevlar® thread provides heat & abrasion resistance.
- Underarm gussets allow flexibility & movement.
- Snaps at wrists for adjustable closure & protection.

PRODUCT CODE: 146WJAP

COW GRAIN LEATHER WELDING JACKET

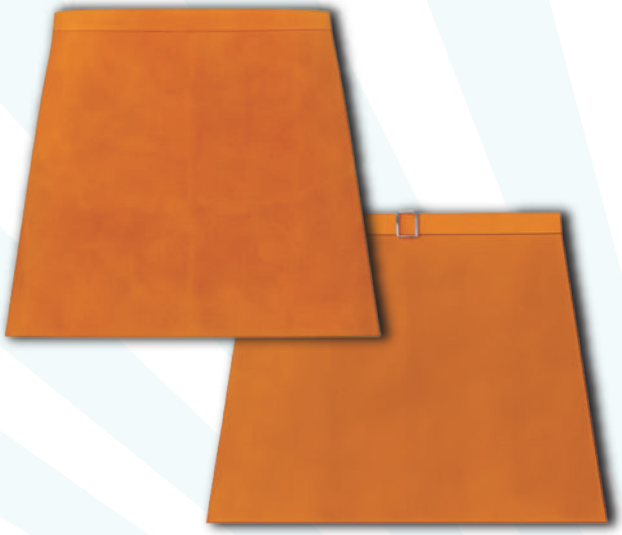

- Premium cow grain leather for durability & protection.
- Expandable leather panels for enhanced flexibility.
- Entirely stitched with Dupont Kevlar thread, adding structured durability at each seam.
- Size 42".

PRODUCT CODE: 100GSWJ

COW SPLIT LEATHER WAIST APRON

- Cow split leather.
- Reinforced with DuPont™ Kevlar® thread stitching for heat & abrasion resistance.
- Cotton strap with plastic buckle for secure, adjustable fit.
- Size 24" x 18".
- Size 24" x 24".

PRODUCT CODE: 21WAP

COW SPLIT LEATHER WELDING CHAPS 40"

- Durable cow split leather for superior protection.
- Reinforced stitched with DuPont™ Kevlar® thread for shield against spark & high heat.
- Adjustable cotton straps with plastic buckles for a secure fit.
- Size 40".

PRODUCT CODE: 111WCH

COW SPLIT LEATHER WELDERS TROUSER

- Cow split leather.
- Stitched with DuPont™ Kevlar® thread for superior durability.
- Front brass zip + stud fastening for secure closure.
- 2 side entry pockets with side access.
- 2 rear patch pockets with touch & close flaps for secure storage.
- Size small to 4XL.

PRODUCT CODE: 113WTR

36" COW SPLIT LEATHER WELDING APRON

- Cow split leather welding apron with adjustable straps, 7 front pockets & hooks.
- Treated for spark & fire repellence for exceptional FR protection & Stitched with DuPont™ Kevlar® thread.
- Strategically placed 7 pockets ensure you will have room for everything you need.
- Size 24" x 36".

PRODUCT CODE: 79BAP-S

COW SPLIT LEATHER BIB APRON

- Premium cow split leather for durability.
- Adjustable cotton straps, front pocket and hooks.
- Stitched with DuPont™ Kevlar® thread for heat & abrasion resistance.
- Size 24" x 36" / 24" x 42" / 24" x 48".

PRODUCT CODE: 20BAP

23" COW SPLIT LEATHER WELDING SLEEVES

- Premium cow split leather for superior heat protection.
- Stitched with DuPont™ Kevlar® thread ensures long lasting seam strength.
- Brass snaps and rivets provide secure fastening & durability.

PRODUCT CODE: 151SAP-L

100% NATURAL COLOR TERRY CLOTH SWEAT BAND

- Made from 100% cotton natural color terry cloth for superior comfort.
- Designed as a sweat absorbent band for effective moisture control.
- Plastic snaps.
- Size: 5.5" x 10.5".

PRODUCT CODE: 001THB

COW SPLIT LEATHER WELDING ROD HOLDER

- Cow split leather.
- Stitched with DuPont™ Kevlar® thread.
- Reinforced rivets.
- Metal swivel clip.
- Size 14" high x 3.5" wide.

PRODUCT CODE: 64RBH

FR COTTON 30" WELDING JACKET WITH COW SPLIT LEATHER SLEEVES

- 9 oz 100% FR cotton.
- Cow split leather sleeves.
- Brass snaps.
- Stitched with DuPont™ Kevlar® thread.
- Size small to 4XL.

PRODUCT CODE: 101FRLS

COW SPLIT LEATHER BIB

- Cow split leather.
- Cotton strap with buckle for size adjustments.
- Brass snaps to attach to cape sleeve.
- Brass rivets for added durability.
- Stitched with DuPont™ Kevlar® thread.
- Size 14" & 20".

PRODUCT CODE: 41BLB

COW SPLIT LEATHER WITH FR COTTON BACK

- Cow split leather.
- Back made of 100% FR cotton 400 GSM.
- Concealed brass snaps.
- Stitched with DuPont™ Kevlar® thread.
- Size small to 4XL.
